Stainless Steel Floor Box

AT A GLANCE…

- Capacity: 1 standard sized plate
- Box Size: 135 x 126 x 95 mm Deep
- Lid Material: Stainless Steel
- Suitable for: Compact installations
  GPO/USB combination outlets

"Easy as ECD®"

- Compact and stylish, the FB145 Flush Floor Box provides ready access to power (or communication) outlets recessed in the floor.

- Suitable for use in: Modern open plan living areas, home theatres, showrooms, shop-front displays, boardroom tables, schools, universities, and public buildings.

- Available in Stainless Steel, the hard wearing 145 x 145 mm lid bevels down to a fine edge under foot and is suitable for use with polished floor boards, carpet, ceramic tiles and vinyl floor coverings (not suitable for use in wet areas).

- The lid is also available with a 'non' bevelled edge – suitable for a flush finish with tiled, timber or other hard finish floors. Add 'SQ to part number (FB145SQ).

- Capacity 1 x double GPO.

  - Deeper outlet mounting plate allows for combination GPOs (with USB or HDMI).

  - Two small flaps allow cables out of the box when in use and close flat when not in use.

  - A versatile, practical and decorative solution to your open plan cabling needs.

  - This product has been examined in accordance with AS 3000 and conforms to A.C.M.A requirements.
